'the adventures of geraldine woolkins by karin kaufman

may 24th, 2020 - the adventures of geraldine woolkins is a pretty good book it s a nice story about a small mouse that wants to go on big adventures like in the book of tales the papa mouse reads them but in the end she realizes that she doesn t need to have big adventures like the ones

in the book of tales but her own adventures even if they might only be small ones and that they can e to her in each day'
