'snow white
May 5th, 2020 - snow white is a 19th century german fairy tale which is today
known widely across the western world the brothers grimm published it in 1812 in
the first edition of their collection grimms fairy tales and numbered as tale 53
the original german title was sneewittchen a low german form but the first version
gave the high german translation schneeweißchen and the tale has bee known in''
